LOUISVILLE JOURNAL PRENTICE, HENDERSON, & OSBORNE. The street lateray & day - 1 2 G mis

LOUISVILLE FOR PRESIDENT.

Millard Fillmore.

FOR THE PRESIDENT. Andrew Jackson Donelson. HE TENNENSEE

FRIDAY, MARCH 14 1856. The Daily Journal has much the I deserves as it will certainly receive the found agest circulation in the city and cou- a demphatic concemnation of the whole peoble the circulation in the country of any other daily paper printed in Louisville: and the Weekly Journal has much more Marcy and the rest of the Administration as amounted to about four bushels. than double the circulation of all the identical in this matter, because the correspond other weekly papers in Louisville put ence shows them to have been so, even if the

theory of the Government did not imply it. Mr. HE OFFICE OF ABBITRATION -It appears Buchanan co fe see that Le promptly informs the the correspondence upon this subject recolly sent by the President to the Sonate, i y to a resolution of that body, that Lor | will as everything he said to Lord Ciarendon in remon was not after all so very wrong in reply, not excepting that joke, (!) almost a taling, as he did, in the House of Lords, it melancholy as if made at the finieral of his own e pointed interrogation of the Earl motier. Mr. Marcy unquestionably, by his

himself, that, as early as November, 1854 (after, b wever, lextended correspondence had depaired in y brought out the irreconcilable views of centre and heart of the administration, if it has Metwo Governments), Lord Clarendon, in the any. It is responsible, it is guilty, and it should out, and don't plant too deep. purse of an official conversation, sintimate be condemned. It is true, Mr. Buchauan now that it much be desirable to have the opinion complains in a pitiful way that he had no idea and if any suckers appear remove them. which is logically the alternative of war as a Mr. Buchanan is represented in the correspond joke, is not fit to be entrusted with the destinies of his own person, much less with the destinies of a nation. We are tempted to thick that Mc. the proposition, with increased earnestness, to B charan is himself a joke, and a poor one at w h Mr. Bucha an then replied that "there that. Besides, it should be remembered, in connection with this trivial pilea, that Great a la ser i terview Lord Clarendon very enist Britain is now on the point of being relieved y urged hat "the true construction of the trom the war which then weighed so heavily agry was a prop r amb eet for arbitration ne er st a question for construction at al. that she will night rather than yield to its about The language was plain and explicit, and I construction of the treaty. Hine is a lacrymo. il git the would be the almost unanimous on of he American people; but, in writing communicate Lord Carendou's dispatch you, I should ment a what he now so d, as I November 10, 1855, to Mr. Marcy, as instructad we what he had said at our former inter ed by his Lordship 'o do, was an inadvertence where the statement of the statement of

ble, and it would be crimmat to drag upon this whole question the administration has traded most rashly and heartlessly with the peace and true tute retereets of the country. It is impossible to resast the conviction that it has winded peaceful overtures from Great Bri sin, with a view of exacture from Great Bri sin, with a view of exacture from the rational eagencies what her national eagen

and the world by 18 own conferences. The formation is not more to the considerable of the post in the case the administration is recentled and the post in question? Early in the most in question? The post in question? Early in the most in question? The post in question? Early in the most in question? The post in question and post in question and post in question and post in question. The post in question and pos

equal to the time gained in seasons of low whet.

The Cincinnati Chamber also adopted the worth which the expression of a conviction that the interest of the two countries and their muttain desire to maintain existing friendly relations will alike empire each party with a conclusion y spirit, and enable them to cerecome all solutions of the company will be interested on the construction of the construct ight the controversy to a pass in which either war or arbitration seemed inevitable, Lord factor, det of the

Buc anan cover it ormed him the others was The Small Fruit of the Garden - As Cover form - As They may safely coalle go the record of he cupants of the gardens would receive attent, he had a he macy, we'r grs the, a with f . y and

cotation on the basis of the tresty? Il d he the one with a thimb eful of brains would consent to mi able Sate papers which he real vide med The id a is absurd. If the case was too "exblockhead as well as a vectim. Nothing to ar

> witho t avail, and when, at last, the final juc heel and exclaims "THERE IS NOTHING TO ion at all" It is too clear for a doubt! Such deportment in our public functionaries i a burning most to the ration. It is a disgrace and trig a few days of moist sullry weather, all foul wrong to republicanism itself. I admits of the fruit and much of the young growth of the We have treated Mr. Buchanan and Mr. trult without blemsh and when gathered green

where to the pointed interrogation of the Lail and Drby, that he had effered to refer the Central American question to the arbitration of a silence, endorsed at once the pleasantry, the reticence, and finally the flat rebet, and cut these branches back to three or four the downry, and that the offer had not break with the reticence, and finally the flat rebet, which will be considered to the reticence, and finally the flat rebet, and cut these branches back to three or four three different occasions, respectively met the offer and cut these branches back to three or four three data and cut these branches and cut these branches and cut thr

coaseb rry is the tirst to show its green baves;

of a third Power on the true construction of the that Lord Clarendon was in earnest when he They will require no further attention the very apparent; that, agein. It, but a Minister, who, to the crisis of an im-Novem er, 1855, Lord Clarendon repeated portant negotiation, involving the dignity and es gestion, in connection with an allusion peace of two great nations, treats a proposal spreading open to; when the leaves fall they wood to four or five huds. The following spring allow two shoots to grow on each branch and pinch off all others. The bush should now present the appearance of a miniature tree with a clean stem six inches to a foothigh. It shape. They should have a good dressing of made in China, will tend to awaken the sympaupon her energies, and that subsequent events should be spread and forked in in the spring, system as revolting to humanity as the African

The gooseherry, like the currant and rasp-The omission of Mr. Crampton to promptly berry, should be constantly renewed by making young plants, as the old plant hegins to fail af-ter five or six years. To do this, take the mos-The was November 9, 1855. On the baving no especial bearing upon the point in rigorous young shoots, cut off in the fall pri-

a cawing, a fluttering, and a screaming among a fluttering, and a screaming among the crows, kites, cormorants, buzbantams:

GOSFORT, IND., FEb. 18, 1856.

In this view of the case, we do not regret, but the screen of the case, we do not regret. waste.

The Cincinnati Chamber also adopted the Seg Nicht crows, kites, cormorants, buzfollowing:

GEO. D. Paerrice. Eva — Dear Sir: With this is send you, per "People's Express," four quills from the wirgs of a large baldengle.

As you are such an admirer of everything trivial admericent, these quills may probably prove acceptable. Besides being associated with our national emblem, to me so fearless, unducting, and withal so soming, the gift will certainly not be inappropriate.

Your a Exberty's privad and America's thampion I love America and her standard bearers. In hattling for the immortal principles of our glorious Union, and in the protection of her tights, use a pen made from these quills.

Methics have been written with such a pen—at all events the names affixed thereto, the principles connected therewith, should be written with personnel of independence and have been written with such a pen—at all events the names affixed thereto, the principles connected therewith, should be written with nebman all events the names affixed that a pen from the wing of America's proud mblem.

Yours truly.

New tirleans papers of Friday contain lefer mean gainers of Friday contain lefer mean gainers of Friday contain lefer mean gainers and also a trive and attent the previous accounts.

Confusion and disorder prevailed. The revolutions were still in possession of Puebla; hatter of a still rejection in the Seventh ward reported last evening. The report system of years were ment troops were marching against the city, and it is thought will be easily defeated.

a rt ork dwelling house and lot on Maga-

John Lofts, drunkenness and disorderly consuct. Ball in \$1.0 for two months. We have service.

The active service.

The accided that he bushand had been described by the first of April, in all probability. The wood work is all up but the congregation on Hancock street. A jury was impanied. The testimony was to the effect of the congregation of the congregation of the congregation of the congregation of the congregation. A member's is not yet eighteen months who proposed to carry on the city experession, and the first pier of the bringe was land.

City Lerbers—After hearing the gentleman who proposed to carry on the city experession and the congregation of the form of the bringe was land.

City Lerbers—After hearing the gentleman who proposed to carry on the city experession in the conference of the congregation of the congregation will fully and maliciously disturbed the plant toge here. It is not yet eighteen months who proposed to carry on the city experession in the conference of the congregation of the congregation of the congregation of the congregation will fully and maliciously disturbed the member's shoulder. The prosecution wanted to introduce that it has thus long been delayed in our city. We see that utility and hope our citizens will give it their encouragement.

Liminated the proposed to carry on the city experience and larger vessels. And with reason too. The Persia is found to consume less coal, eccording to the congregation of the congregation of the congregation of the Circums and the provention had disturbed the congregation of the Circums and the provided that the bush and was a protest. It is now settled that the State has been carry the character of the Legislature of the Legislature of the Legislature of the Legislature of New York in favor of the king the provided that the pro

Permi is found to consume less coal according to the formage, than may of the ramillet opinion of the similar opinion opi
